

2013 FLR PRA Awardees.xls

Person or Team Recognized	Team # or Affiliation	Given by Team #	Gracious Professionalism	Helpfulness	Spirit / Enthusiasm	Extreme Safety	Bringing People Together	Comments
Nick Thomas	3951	3842		x				Allowing us to use their tools when we were needing to get work done quickly
Lizzie	4505	1511	x		x		x	
Ron Borden	FLR Committee	1511		x			x	Coordinated the NEMO workshop/lunch
Lydia	Pit Admin	1511			x		x	Great job as Pit announcer
Frank Shivley	48	1511		x				For being tall and helping Team 340
Kate Saulsbury	Pit Admin	1511		x	x		x	Great job with Pit Admin - you made the regional run smoothly
Angry Eric	MC	3838	x					He had everyone ready for competition and did an outstanding job
Ivan	Safety Inspector	3838				x		Walked around and made sure everyone was safe to their best ability
Escort Service	48	3838		x				Made sure the area was clear to walk with robots
Hannah Thompson	639	3838		x				Was a very good helper
Casey Dill	3838	3838					x	When in need of help and someone to go to he was there when the team was down and came to make everything better
Nick	1126	3799			x			Really loves his team and brings enthusiasm to everyone. His spirit is infectious.
Angry Eric	MC	3799					x	He brings enthusiasm into robotics and everyone has fun. People who come to this match not in robotics may see the fun and importance of robotics because of him.
Rex Hays	Safety Glasses	3799				x		He makes sure everyone entering the pits has safety glasses which prevents many many injuries
Ryan (mentor)	3687	3799		x				He let us borrow their band saw and without that, it is very likely we wouldn't have competed. Also we took over some of their space and he didn't object.
Rob Heslin	Head Robot Inspector	3799	x					It took us a very long time to finish the inspection and without his patience and help we maybe wouldn't have competed.
Charlotte	4203	3842		x				Let us use a shop vac
1111	1111	3842		x				Let us use a battery
Jamie	639	1507		x				He helped our team out when we needed it, and lent us things.
Sarah	772	1507				x		Had a great packet on safety information
